Fees

Users are required to pay all fees specified in any Order Forms.

Except for selected Services otherwise specified herein, (i) fees based on services purchased and not actual usage, (ii) payment is not allowed to be canceled and fees paid are non-refundable, and (iii) the number of User subscriptions purchased cannot be decreased during the subscription period specified on the form. Subscription fees are based on yearly purchase or two year purchase plans. Any subscriptions added after the 15th of the month will be extended to the end of the month as part of the one year or two year payment plan.

Upgrading Existing Plan to a Higher Plan

Payments made to a lower plan will be applied to a higher plan and will be pro-rated for the term of the existing plan.

Escalation of Plan Example:

Member (A) purchases our "Bronze" plan on September 1, 2015 and on December 15th 2015, decides to elevate their already paid purchase plan of \$1,428/year to a "Silver" plan and a \$2,388/year commitment. EZGovOpps will apply the 8 months remaining payment made of \$ 119.00/month pro-rated payment and apply that payment and purchase towards the purchase of the Silver plan which

reflects a cost of \$416.50. The payment savings will be applied towards the 8.5 months remaining on the Silver Plan. This makes the total payment for the silver plan - \$2,388.00 yearly would be adjusted to \$1,971.50 and payment is due when the plan is upgraded to the higher level for the balance of the subscription term.

Downgrade an Existing Plan.

EZGovOpps does not offer refunds for downgrading your existing plan.

Suspension of Service and Acceleration

If a User becomes delinquent on an account for 30 or more days (10 or more days overdue on credit card payment accounts), EZGovOpps may, without limiting all the other rights and remedies, accelerate the Users unpaid fee obligations under each agreement and make all obligations immediately due and payable, and suspend all Services until the invoice is paid in full. EZGovOpps gives the User at least 7 days' prior notice to pay the invoice and balance due before suspending services.

"Change Plan" page has a simple "Please cancel my account" link. This is the only valid way to close an account. Any emails received by a User to request a cancellation of their account will not be processed. There is no cancellation fee and no refund on any canceled Service accounts being canceled prior to the end of the month previously paid for. Once a User initiates the cancellation of their account, it's immediately canceled and all content will be deleted within 14 days.

EZGovOpps may terminate Services, terminate this Agreement, or suspend or terminate any User account for any reason EZGovOpps sees fit. In the event of termination, the account will be disabled and access may not be granted to your account, files or other content contained in the account although remaining copies may remain in our system of a User's Data.
